Dear Ms Colon:

On behalf of the Windermere Congregation, I would like to thank you for the outstanding service and courtesy of your banquet staff. The Memorial of the Death of Jesus Christ is our most sacred event. The room was very attractive and nicely arranged. It was lightly raining during part of the evening. We appreciated your staff offering shuttles to the parking lot. This was an unexpected "touch of class".

This was the best venue we had for the Memorial. We look forward to using your facilities in the future. For you information, we have five congregations currently worshipping at our Hempel location. We alternate the Memorial off-site services every other year. Our congregation will be looking for off-site facilities in 2010. The date has not been announced for 2010. The Memorial for 2009 will be April 9, 2009. I will certainly recommend that the congregations scheduled for off-site next year consider your facilities. I would suggest that you put this date on your business calendar and follow up at the end of the year.

In closing, thank you for a wonderful evening. We look forward to doing business in the future.

Sincerely,

R. Knox
