Dear Mr. Marn:

On behalf of the Department of Florida, VFW I want to extend the thanks and appreciate for the outstanding service we received during our 79th annual convention held the weekend of June 19-22.

The convention service staff and our contact Curtis Doscher were responsive to our needs and attentive to detail. As with all meetings, there are many challenges, but working with your staff, we were able to fin solutions that benefited the VFW and the hotel.

As you know, the VFW will be back for two more years. It was important that we made our delegates comfortable with the hotel as we need for them to make the return trip again next year.

Again, please extend the appreciation of the VFW to your staff and we look forward to working with them again in 2009.

Sincerely,
